

Hart-Sipson Endowed Scholarship Application 2008

Purpose: To encourage excellence in physics.

Award: \$700

Criteria: The department will select a winner based on the strength of his or her **physics coursework** and on strengths in one or more of the following areas:

- **Research Activities**
- **Outreach Activities**
- **Service to department**

A student need not have experience in all of the areas above to be considered for the scholarship.

Eligibility: MSUM physics majors or minors who will be enrolled in the physics program in Fall 2008.

Instructions:

Fill out the attached form and submit to Joy Lindell by **Wednesday, March 26, 2008**. The award will be announced shortly thereafter.

Name:

Rank: **Freshman** **Sophomore** **Junior** **Senior**

Physics courses taken.

Please either

- provide a current unofficial transcript (DARS report obtainable online) organized by academic subject.

OR

- write your courses and grade in the space below.

Course Title/Number	Fall/Spring/Summer/Year	Grade
<i>Example: Gen. Phys. 200,201</i>	<i>F2000,S2001</i>	<i>B</i>

Research. List research projects you have worked on, or are working on. Give a brief description of the project. If the research has been or will be presented at a conference, indicate which conference. If it has been or will be submitted for publication, indicate which journal. Attach additional pages if needed.

Project(s) (brief description):

Conferences

Papers

Outreach. List any work you have done to support department outreach activities. This may include performing physics demonstrations, helping faculty during workshops, supporting faculty outreach activities, and supporting Society of Physics Students outreach activities.

Brief description

Date

Service to department. List any ways in which you have served the department. Examples include building demonstrations for lectures, working on department database, helping to organize physics library, etc.
