Senior Project Progress Report

☐ Student Name: _______________________________________

☐ Project Title: _______________________________________

☐ Project Committee:

    Project Advisor: _________________________________

    Additional member(s): ________________________________

Progress Report Requirements
In advance of a face-to-face meeting with your committee, provide the committee with a written response to the following questions (attach to this cover sheet):

1. What milestones have you achieved in working toward your goals? Please present any designs, derivations, data, observations, etc. that you have gathered or produced.

2. What obstacles have you encountered in working toward your goals? What can you do to surmount these?

3. Is there any revision needed to your original timeline? Please provide suggested revisions.

To be filled out by Project Committee: Please check one

This student □ has □ has not made adequate progress toward their senior project this semester.

If you checked “has not”, please include recommendations for actions student must take to address concerns including potential project changes:
